BURLINGTON COUNTY RUFF RYDERS PROVIDE SUPPORT TO AT-RISK YOUTH AT THE CHILDREN'S HOME

MT. HOLLY, New Jersey, August, 2007— The Burlington County Chapter of the Ruff Ryders Motorcycle Club held a cookout for the residents and staff at The Children's Home (TCH), August 25, 2007. All food and supplies were donated by the club, and approximately 20 members participated throughout the day to prepare, prep and serve a delicious summer barbeque to TCH children and staff. A few members even challenged residents to an exciting game of basketball despite the day's intense heat and high humidity.

Their support also included a large donation of school supplies to ensure TCH students get a head start this September. Items were collected from generous club members, the community as well as local retailers.

The Burlington County Chapter of the Ruff Ryders Motorcycle Club is less than a year old and thankfully they've selected The Children's Home as one of their charities to provide major support throughout the year. "We love the kids," said Chapter President, Robert Gallop, "and we're happy to be able to make a difference in their lives whenever we can."

The Ruff Ryders Motorcycle Organization is the second largest motorcycle club in the world. It consists of a diverse group of professionals and promotes love, family and community involvement through volunteerism and other support initiatives. The club advocates safe and fun riding while aiming to make a difference in the communities in which they live and work. Safety is always paramount and being a positive influence is their creed.

Founded in 1864, The Children's Home is a private, nonprofit organization and a leader in providing multi-faceted services to emotionally disturbed, abused, and neglected boys and girl's ages 8-21 from throughout New Jersey. Its mission is to provide professional therapeutic and supportive services that help children and their families to become productive members of society.
